

2017

EXHIBITION BOOTH DESIGNS

d7
Exhibition

With a team comprising of the most talented professionals in the industry, *D7 group* tailors each project to meet unique objective, and clients needs.

Whether it is permanent exhibition, a trade show stand or a display kiosk. At every step of the operation, higher quality of products and services is ensured by the use of latest state of the art technology and high proficiency backed by highly skilled professionals.

d7 exhibition has connections with numerous international companies and trademarks.

established in a very competitive market, and reaching our goals only gave us a step forward into expanding around the area.

Following is a humble collection of our work to some of the companies we worked with during 2017.
